TESSELLA
CREATION

Meets Your Desire...

IT'S SPECIFIED

A house is built of logs and stone,
of **TILES** and posts and piers;
a home is built of loving deeds
that stand a thousand years.
One foot in front of the other,
counting tiles on the floor so
I don't have to focus the blur of
painted smiles,

fake faces.

IF YOU WANT A QUALITY, ACT AS IF WE ALREADY HAD IT.

-Product quality means to incorporate features that have a capacity to meet consumer needs (wants) and gives customer satisfaction by improving products (goods) and making them free from any deficiencies or defects.
